

OUR LEGACY

Kamdhenu was established in 1955 under the leading guidance of Late Mr. Anantram Sabhlok. In its long tenure, the group (now Kamdhenu Realities) headed by Mr. Surinder Sabhlok and Mr. Karan Sabhlok has been constructing exceptional quality living and commercial edifices. Each and every project of ours is special and is nurtured, developed and built with lots of care. Our desire to grow and diversify can be gauged from the fact that we revel in finding new challenges which bring out the best in us. But while we develop and advance, we also make sure that we do not neglect our corporate, social and environmental responsibilities. Quality & Timely Delivery are the promises that we keep with our customers. Better lifestyles, world-class qualities, and vibrant edifices are the things that you can always expect from Kamdhenu Realities.
