NLUO was my home for 5 years. It was the honing ground where my entire batch and I made the transition from teenage to adulthood, and through that time learned so much ourselves. While education was always at the forefront in NLUO, it was the cultivation of relationships, character and professionalism that was imbibed in us by the college, that made us into the people we are. I am sure that the college will continue to grow from strength to strength, and any organisation would benefit tremendously from the calibre of students that NLUO produce

International Maritime Arbitration Moot Court Competition

The Moot Society is the official body of NLUO which oversees moot activities in the university. The society's flagship event – International Maritime Arbitration Moot is organized in the month of March annually. We, at NLUO, have chosen Maritime Law as the subject matter to complement the maritime operations in Odisha and consequently promote intellectual discourse in the field of Maritime Law. The NLUO-IMAM has created a niche for itself as it is the first moot competition in India and third moot competition in the world to have maritime law as its principal subject area. In the previous editions of the moot, we have successfully hosted the event with the support of Bose & Mitra Co. as our title sponsors and our knowledge partners EBC and SCC Online. NLUO-IMAM has earned a name of its own, currently being the biggest maritime arbitration moot in India
